

PRACTICE PADS

DUAL PRACTICE PAD

12"
(30cm)

rear - hard rubber

Ideal for wrist practicing.
It reflects less, and thus
forces to work harder
your wrists.

thickness: 2,5cm

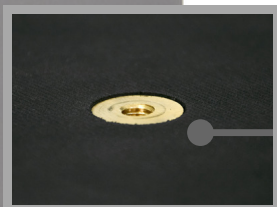

front - medium soft rubber

The best results for practicing
fingers and wrist thanks to
well reflection.

10"
(25cm)

7"
(17,5cm)
